

PRAYER AROUND THE WORLD

MAY 2025

*"PRAYING AT ALL TIMES IN THE SPIRIT, WITH ALL PRAYER AND
SUPPLICATION. TO THAT END, KEEP ALERT WITH ALL PERSEVERANCE,
MAKING SUPPLICATION FOR ALL THE SAINTS."
EPHESIANS 6:18*

Thank you for joining us in prayer as we highlight a different mission partner each day throughout the month of May. Our partners have sent prayer requests for their work, and they have expressed deep gratitude for your prayers. As we pray, let us keep in mind the calling we have to pray at all times in the spirit for the saints, knowing that the prayer of a righteous person is powerful and effective. -Mission Team

1 NATIONAL DAY OF PRAYER

WHY PRAY FOR AMERICA?

God is in control, and nothing takes Him by surprise. Whatever we encounter, our Heavenly Father remains fully aware. Through prayer, we can gain wisdom, strength, protection, and peace. He assures us in 2 Chronicles 7:14: "If my people, who are called by My name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and will heal their land." As we earnestly and humbly seek Him, we will experience personal transformation and witness change in America through our prayers!

OUR NATIONAL GOVERNMENT

Pray for wisdom and guidance for our leaders, and that the Lord is glorified through this administration.

STATE GOVERNMENTS OF GA AND SC

Pray for the GA and SC governors, as well as their executive, legislative, and judicial leaders.

CSRA – THE CENTRAL SAVANNAH RIVER AREA

Pray for our mayors, along with city councils, police chiefs, fire chiefs, judges, and county officials.

2 HOPE WOMEN'S CENTER

Hope Women's Center offers confidential support to women and families in the CSRA and surrounding areas facing life decisions, providing hope, help, and healing through compassionate care and peer guidance at no cost thanks to the generosity of donors and the local community. We strive to be a

haven for those experiencing unplanned pregnancies by providing honest information to help them make informed choices, driven by deep care for everyone who comes through our doors. Embrace Grace helps new single moms impacted by unexpected pregnancies. They provide support and community for these young women and their families, which bridges Hope Women's Center to the church, providing a Christian community and Bible study for the ladies.

Pray for:

- The mamas to feel the love of Christ through this ministry and see God powerfully move in their lives and provide for them and their babies.
- Hope Women's Center and its staff as they minister to women. Ask for the Lord's guidance and protection over the center, its staff, and its volunteers throughout the year.
- Women who come to Hope Women's Center to feel God's presence and love.
- The staff and volunteers to see the jewel in every woman they encounter, treating her with kindness, compassion, and love.
- The babies growing in their mothers' wombs. Ask the Lord to grow the hearts of mothers who come to the center so they can love their babies as God loves them.

3 SHORES CHURCH | WELLS, MAINE

shoreschurch.org

"I started Shores Church here in Wells, Maine as a community Bible study along with my wife and five other people in our living room. A neighbor started attending and then people just started inviting and sharing. We have celebrated two years as a church family now!" -Pastor Holloway

Pray for:

- Maturing new believers.
- Wisdom for leadership.
- Resources.
- Continued favor with our community, town offices, schools, other organizations, and the general community.

4 LONGO PEOPLE | UNREACHED PEOPLE

An unreached people group is a group of people who don't have any Christian communities with enough people and resources to help spread the Gospel to them without outside sources. It's estimated that out of the 8.08 billion people living on Earth today, 3.42 billion of them live in unreached people groups with limited or no access to the Gospel of Jesus Christ.

Here at Warren, we have a desire to reach the unreached Longo people with Gospel of Jesus. The Longo live in north-central Uganda. They are influenced by traditional beliefs, which still play a big role in their religious lives. The Longo people mostly hunt, farm, and raise livestock. They speak the Longo language. There are about 2,964,000 Longo people.

Pray for:

- The Gospel to be proclaimed among them.
- Workers to be sent to the Longo.
- The spiritual bondages of the people to be broken, and that they would find freedom in Christ.
- Healthy churches to be planted among them.
- Pastor Paul and his family; local Longo believers to be strong in their faith.

5 SOUTHEAST ASIA

The Buffalo People are a deeply communal and resilient group in Indonesia. With 99.9% identifying as Muslim, following Jesus comes at a high personal and social cost. We are part of a small team that lives among them—learning culture, building trust, and sowing seeds of the gospel. Visible fruit is rare, but God is at work beneath the surface.

Pray for:

- The Buffalo People—that their hearts would be open to truth, and that the cost of following Jesus would be met with His peace and presence.
- The team—for courage and endurance to keep sowing faithfully, even when progress feels slow and unseen.
- The existing church—that believers from other tribes already living among the Buffalo People would see beyond church traditions and reach out across cultures with love.
- More laborers—with over five-million people in this region and only a handful reaching out, ask the Lord to send more workers into this field.

6 JESUS IS KING CHURCH | BRUNSWICK, ME

“We are engaged in focusing on our church, the community, and in connection with other local churches. Inwardly, Jesus is deepening personal walks with Him and keeping Christ at the center of our family. Toward our church, I teach and preach the Word three days a week, while also providing pastoral care to individuals. In the community, we have established several ministries, including a Gospel outreach addressing abortion, a homeless ministry that distributes clothing and supplies, and regular street evangelism, encouraging congregants to share Christ with others. Additionally, I am connected with many Gospel-minded pastors in Maine, which has greatly encouraged our church and fostered a sense of community.” -Pastor Andrade

Pray for:

- My individual walk with Jesus to grow ever-increasingly, and my marriage and family to be guarded as we walk with Jesus.
- The salvation and preservation of faith of my children.
- More godly men to be raised up as pastors in our church to help carry the load.
- The effective proclamation of the Gospel in all we do!

7 KENYA | WILLIS FAMILY

Pray for:

- The refugee families in Kawangware slum, Kenya. Though they are in the big city, their lives are difficult due to lack of access to jobs and many children.
- The connection of these women to Riruta Baptist Church. This congregation is receptive to welcoming refugees but needs guidance and direction.
- The continued sharing of Jesus at New Life School in Rhino Refugee Camp, Uganda. The relationship New Life has with the community is healthy and the community is open to the sharing of the Gospel. Pray that this will continue.
- Chris and Casey to serve our missionaries in Uganda and Rwanda well, balancing the responsibility of all these assignments in a healthy way.

“We work with the South Sudanese refugees in Kawangware Slum, Nairobi. Casey leads a weekly Bible study for women whose husbands are in South Sudan seeking work. Chris connects these women to Riruta Baptist Church and has started a feeding program funded by Send Relief. In 2024, Chris became a Logistics Consultant for Uganda and Rwanda, assisting missionaries with visas and vehicles. This role also allows him to direct a nursery school in Rhino Camp, supporting the refugee community with hope and assistance in Jesus' name.”

-Chris Willis

8 BROAD STREET MINISTRY CENTER

bsmcaugusta.org

Broad Street Ministry Center was created to share the love of Jesus by meeting various individual and family needs. Our purpose is to share with the CSRA the Gospel of Jesus through ministry evangelism. Our ministries include: food pantry, discipleship, clothing, holiday meals, adult literacy, job assistance, VBS, back to school bash, resume assistance, school partnership, Monday hot lunch partnership, bus ministry partnership, mobile shower partnership, along with men and women Bible studies.

Pray for:

- Our guests: that we continue to share the love of Jesus to all who enter, that they make Him Lord of their life.
- BSMC Finances: We have had an increase of those in need, but financial support has not increased.
- Our family: We continue to persevere and follow the King, even through the storms.

“We are committed to overseas mission work, inspired by Paul’s vision in Romans 15:20 to share the Good News with unreached people. We will first learn the local language and culture, essential for effective communication. Many target groups lack a written language, so we aim to teach literacy and translate the Bible to ensure the church thrives beyond one generation. While teaching literacy, we will evangelize and teach the Bible chronologically. Our ultimate goal is to establish a self-sustaining, mature church with biblical leadership, a process that can take 8 to 20+ years. In Brazil, we have spent two years learning Portuguese. Eli will teach God’s Word and maintain team resources, while Jessica will learn both Portuguese and the tribal language, homeschool our children, and focus on literacy and discipleship for women.” -Eli Elliott

Pray for:

- Our family; that we could secure our needs for our house.
- For our return to Brazil and that the family would transition well.
- Our airstrip, that it would be open again for us to use.

10 TORONTO, CANADA | TRENADO FAMILY

Pray for:

- Our family as we are currently living in a friend's house since July 2024, and to be able to find a house as it is not simple to find an affordable house here.
- My two "children". Marcos (21) living with me and Sofia (18) living in Europe. Prayers in general for the family, and for their walk with God.
- Balance with Church, FCA and Family.

"10 years ago we moved from Spain to Canada following God's lead. I am currently serving the Lord in two capacities. One as a Pastor and the other one as an Area Director for FCA Canada (Fellowship of Christian Athletes). As a pastor in a small local church, I am involved in the spiritual care of my congregation, pastoral counseling, preaching, outreach, and practical support. In my role as an Area Director with FCA, I am responsible for organizing & overseeing the ministry's work, leagues, programs & camps, and making sure that Christian values/devotions are present in all of them. I also coach basketball and have the privilege of mentoring coaches in their journey to grow in their faith so they can be strong witnesses of Christ in the sports world. We have around 1,200 athletes coming through our programs every year." -David Trenado

**Pray for:**

- Enough volunteers for care teams which is at minimum a once-a-month commitment to bring a meal.
- All four Warren campuses which are participating in the Foster Care Kit Drive this month. Consider your part in helping!

The Better Together Foster Care Ministry supports over 100 children and seventeen foster families in the CSRA, with seven more families on a waitlist. They form care teams of 5 volunteers to deliver weekly meals and provide essential items like Bibles, diapers, and bedding from their care closet. During Christmas, church groups sponsor families with gifts for each child and parent. The ministry also hosts events for social workers, such as the Better Together Brunch and a Kit Drive for school supplies and sanitary products. Additionally, they assist biological families in reuniting with their children by providing essential items and a Transportation Team to set up beds and share the Gospel.

12 CENTRAL ASIA

"We are working to catalyze movements among Muslims and Hindus in Central and South Asia. As we coach local leaders to follow the principles that Jesus used in Luke 10, they are going out among the lost,

finding people of peace, along with starting discovery groups and teaching them to obey all that Jesus commanded (Matthew 28:16-20). This year we have seen over 1,000 lost people in 80+ groups discovering who Jesus is for the first time by listening to stories from the Word of God and immediately putting them into practice. Lives are being radically changed as they learn to obey Jesus and share His truth with their lost family and friends. In these security-sensitive areas, we are beginning to see disciples who are making disciples who are making more disciples. (2 Timothy 2:2)"

Pray for:

- Our steadfastness as we are experiencing an increase in spiritual warfare both on location and in our family. Our local teammates have experienced betrayal, extortion, sicknesses, and police interference. Our family has been hit with illnesses and broken bones as well as feeling the pressure of spiritual attacks. Pray that we would remain rooted in the Word and close to Jesus in the face of intense spiritual warfare.
- Healthy families, strong marriages, wise parenting, and boldness for us and our local teammates.
- Courage to move forward in making disciples even when it is hard (Hebrews 12:1-2).
- Generational growth: people sharing what they are learning and their experience with God with other lost people and starting new discovery groups.
- People to truly fall in love with Jesus and obey all his commands (John 14:23), which will bear much fruit to the glory of God (John 15:8).

14 ESWATINI

The mission in Eswatini is to create tangible expressions of God's kingdom by caring for children's physical, emotional, and spiritual needs at Timbutini and Ntabas CarePoints. As we invest in each child, we also begin to disciple the surrounding communities, creating a ripple effect that can transform the region and, ultimately, the nation. Eswatini faces immense challenges, including the world's highest adult HIV prevalence rate of 28.8%, leaving many children orphaned and the nation deeply affected. Known as the "Nation of Orphans," it has lost generations of parents, leaders, and workers to HIV/AIDS. Through our partnership with Adventures in Missions, we are committed to providing love, support, and discipleship to these children. We are deeply grateful for your prayers for our partners and their work. Together, we believe in restoring hope and building a brighter future for Eswatini.

Pray for:

- The Bomake (caretakers), shepherds, and school teachers at each CarePoint as they continue to provide support, nourishment, and education to the children at the CarePoints.
- The Adventures in Missions staff as they disciple and pour into all of the children.
- The sustainability project at the Umdoni Farm, may it be fruitful for the ministry and the communities.

- Ben and Lois, our Brunel Bridge leaders, along with Josh and Luke, our Middlesex University leaders. Pray they continue to grow in their faith and desire to share their lives and the Gospel with their campus.
- Lainie and Jay as they serve at Middlesex University. It has felt like "I walked to school uphill in the snow both ways" type of ministry. Very frustrating at times. Pray for partner churches to catch a vision for reaching these students.

In the early 2000's, two friends recognized the growing fragility of South Africa's infrastructure during their short-term trips, prompting the need for a long-term solution to empower local communities toward resourcefulness and stability. This realization sparked the founding of Khayamandi, which quickly became a symbol of strength and initiated five key programs: Scholarships, Safe Houses, Skills Development, Sports, and Sponsorships.
